I work at ~~the~~ North Tower Union
Terminal Co. RI 8 4698, The 3rd Monday
thru Friday. ~~See~~

The tower where I work is west
& a little north of the Texas ^{Book} Depository
building. I was on duty today. &
about 11:55 AM I ~~was~~ saw a 59 Olds
Station wagon come down the street
toward my building. This street deadends
in the railroad yard. This car had
out of state lic with white background
& black numbers no letters. It also had
a Goldwater for 64" sticker in the rear
window. This car just drove around
slowly & left the area, it was
occupied by a middle aged white man
~~with~~ partly grey hair.

at about 12:15 PM another car
came on the area with a white man about
25-35 years old driving. This car was a 57
Ford Olds 2dr with Texas lic. This man
appeared to have a Mike or telephone
in the car. just a few minutes

at 12:20 PM
after this car left ~~another~~
another car pulled in. This car
was a 61 Chev ~~Impala~~ Impala 4dr?
white & dirty up to windows. This
car had the same type of license plates
as the 59 Olds. This car was driven
by a white male about 25-35 with
long blond hair. He stayed in the
area longer than the other two &
left about 12:25 PM, about 8 or 10 minutes
after he left I heard ~~shots~~ at least
3 shots very close together. Just after
the shots the area became crowded with
people coming from Elm street & the slope
just north of Elm.
